

Dr. Coro's **BREATH BUSTER** is an all natural breath neutralizer. It is made with natural chlorophyll, parsley, and other herbs found in nature's environment.

Dr. Coro has taken parsley extract and combined it with concentrated chlorophyll to neutralize the hunter's breath. Dr. Coro's BREATH BUSTER comes in a convenient spray bottle that can be carried out into the field. Just a few sprays in your mouth helps eliminate or reduce human breath scent!
